

WHY JOIN ROTARY?

**Rotary is the oldest service club in the world,
with 1.2 million members and 35,000+ clubs.**

Professional Networking

A founding principle of Rotary was to meet periodically to enlarge one's circle of business and professional acquaintances. Rotarians represent a cross-section of the community – men and women who make decisions and influence policy.

Leadership Development

Team building, fundraising, public speaking, planning, organization, and communication are just a sampling of the leadership skills that we exercise and enhance. Being a Rotary leader provides further experience in learning how to motivate, inspire, and guide others.

Friendship

Rotary was founded on fellowship, an ideal that remains a major attraction of membership today. We enjoy camaraderie with like-minded professionals, and club projects offer additional opportunities to develop enduring friendships.

Service Opportunities

Rotarians have many opportunities for humanitarian service, both locally and internationally. We experience the fulfillment that comes from giving back to the community. One of Rotary's highest objectives is to build goodwill and peace throughout the world.

Family Foundations

Rotary sponsors some of the world's largest youth exchange, educational exchange, and scholarship programs. Rotary clubs provide innovative training opportunities and mentoring for young leaders and involve family members in a wide range of social and service activities.

Ethical Environment

Encouraging high ethical standards in one's profession is a hallmark of Rotary. In our business and professional lives, we abide by *The Four-Way Test*. Of the things we think, say or do: 1) Is it the TRUTH? 2) Is it FAIR to all concerned? 3) Will it BUILD GOODWILL and BETTER FRIENDSHIPS? 4) Will it be BENEFICIAL to all concerned?
